
Table of Contents of Feasibility / Walkover Survey Report

(Prescribed by RRRSDP/PCU)

Executive Summary

1. Salient Features
2. Introduction
3. Scope of Works
4. Composition of Feasibility/Walkover Survey Team
5. Methodology of Works
6. Engineering Feasibility Study
 - 6.1 General Description of Alignment*
 - 6.2 Cost Estimate
 - 6.3 Recommendations from Engineering Point of View and Referring to Criteria
7. Environmental Aspects from Walkover
 - 7.1 Rapid Environmental Screening
 - 7.2 Recommendations from Environmental Point of View and Referring to Criteria
8. Social Aspects from Walkover
 - 8.1 General Social Characteristics in the Alignment (VDC, Major Settlements, Composition of Caste/Ethnicity, Major Occupation)
 - 8.2 Overview of Food Sufficiency
 - 8.3 Brief on Indigenous People
 - 8.4 Recommendations from Social Point of View and Referring to Criteria
9. Resettlement Aspects from Walkover
 - 9.1 Involuntary Resettlement in General
 - 9.2 Resettlement Screening and Categorization of the Sub-project Resettlement Plan
 - 9.3 Potential Impacts on Community, Households and their Assets
 - 9.4 Voluntary Land Contribution
 - 9.5 Cost Estimate for Resettlement
 - 9.6 Recommendations from Resettlement Point of View and Referring to Criteria
10. Conclusion and Recommendations

**Please show a comparison of different alternatives in the case of new alignments*

Annexes

Annex: Engineering

Annex -1: Topographical Map Showing Road Alignment

Annex-2: Photographs of Project Area

Annex-3: Initial Estimated Quantity and Cost

A.3.1 Quantity Estimate

A.3.2 Cost Estimate on Engineering Basis

A.3.3 Summary of Unit Rates

A.3.4 District Rates

Annex-4: Inventory Form (showing both existing and proposed works for reconstruction and rehabilitation)

Annex-5: Road Strip Maps

Annex: Environmental

Annex-6: Rapid Technical/Environmental Appraisal Form

Annex-7: Rapid Environmental Assessment (REA) Checklist

Annex-8: Environmental Rating Form

Annex: Resettlement

Annex-9: Resettlement

A.9.1 Screening for Resettlement Categorization

A.9.2 Loss Assessment

A.9.3 Potential impact on Land and Structure

A.9.4 Estimated Cost of the Affected Assets Based on Current Market Price

Annex: Social

Annex-10: Social Aspects from Walkover

A.10.1 Initial Social Appraisal Form at (1-4)

A.10.2 IP Screening and Categorization

Annex: Miscellaneous

Annex-11: Records of Meetings (Minutes)

Annex-12: List of References and Name of Contacted Persons
